

Dear Past & Future Rolling Hills Members,

On behalf of myself and my staff, I would like to thank you for a great 2011 in which we made some great strides forward, and are looking to keep the momentum going for 2012!

Throughout the 2011 season, we accomplished all of our goals to raise the quality of service on and off the golf course including training a fun and reliable staff, increasing outing and league play, and providing a fun and relaxed place to play golf! Outside, we were able to improve staffing and management with the addition of our certified superintendent Jim McAdam, improve equipment including new blades for the greens mowers to improve the greens playability, grub treatment and over seeding to improve the quality of grass in the fairways and tee boxes now and in the future, and quality winter treatments including snowmold spray to ensure that all of the course will weather the winter well!

As thanks to you, we are looking to keep things moving forward for next year by offering you the best membership deals that have ever been offered at Rolling Hills! Below you will see a complete list of our membership offers. For those of you who are interested in Mini-Memberships for 2012, purchase a Mini-membership now at the 2011 prices and receive free locker room and bag storage for 2012, up to 4 free rounds and save 10% off the 2012 price. See below for 2011 Pricing.

If you have any questions, feel free to give us a call in the proshop to discuss any questions you might have at 262-567-7833. But don't wait too long, as these deals will expire November 13th, 2011!

Thank You for your support!
Sincerely,
